Dear Ms. Davis:

This letter is in response to your inquiry dated August 8, 2012 in which you reference the Amended October 2010 Quarterly Report (8/26/10-9/30/10), Received 4/15/11.

Schedule A, Conduit Transactions

The committee has reviewed Schedule A and the included conduit transactions and has confirmed that the transactions meeting the itemization thresholds were included on the report as filed. In addition, the total contributions received were also shown on Schedule A along with the required information relative to name, address, etc. Therefore, no amendment is necessary.

Schedule B – Petty Cash

The referenced transaction was described as “Petty Cash Replenishment” and was an internal transaction effected to replenish the petty cash account. This transaction was not made from the committee to an outside vendor.

Schedule B

The committee has reviewed the referenced transactions and has determined that they were correctly reported in accord with 11 CFR § 104 as originally filed. Therefore, no amendment is necessary.

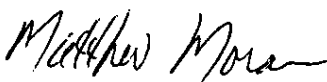

Schedule B – Stipend

All of the transactions described as “stipend” were made by committee check. Therefore, no amendment is necessary.

Schedule – D

The committee has reviewed the referenced transaction and has determined that it is correct as reported. However, the committee will amend the previous report to correct the corresponding entry on Schedule D so that it properly carries forward to this report.

Sincerely,

Matthew Moran
